John, I suggest we push the dates after Monday for 1 day for 2 reasons
1) Giving 24h to confirm may seem to be disrespectful, 48h looks a bit more polite 2) If we shift everything for 1 day, we'll have 1 more day to work on the SAFT and incorporate some of [redacted] suggestions for the SAFT coming in 24 hours from now.

[redacted] was a bit frustrated with an increase to \$850M. Asked if that can be 800M.

Anyway, since we have freed some space, let's give [redacted] 15M he's a good guy. We need his insight.
